FOREWORD

The Senior Class of 1964 presents to you a picturesque view of GROWTH; a growth of the physical plant of our Alma Mater -- from an elementary school of meager building to a thriving campus to modern buildings conducive to study; a growth of academic as well as athletic standards.

Parallel to the physical growth of the school, have grown 43 students, from insignificant freshmen, with a desire for growth, to polished seniors, full of growth.

It is with this, the first edition of the LION, that we have attempted to capture the highlights of these years of growth.

If our underclassmen will look upon this publication as an incentive to strive toward more complete physical, academic and cultural growth; and if it inspires them to keep the spirit and tradition of our institution alive until they achieve their full growth -- then, we, the staff of the 1964 LION, feel that its purpose will have been accomplished.

HISTORY OF DUBOIS

FIRST PUBLIC SCHOOL. The first public school conducted in Wake Forest was in a church structure located on the Olive Branch Church ground. Later, land on the southeast corner of Juniper and Taylor Streets was given by the late Simmons family to the Negroes for educational purposes.

A frame structure was placed on the land and later was replaced with a Rosenwald School building under the administration of Dr. H. C. Mabry of Raleigh, N. C., and Mr. Newbold, Superintendent of Public Instruction, also an official of the Rosenwald Fund. The Superintendent appointed a School Committee composed of Mr. Joseph Massenburg, the late Messrs. Stephen Taylor, Willis Johnson, and Caleb Winston.

Under the direction of this School Committee, the citizens raised \$1100. An amount of \$1800 from the Rosenwald Fund was added to this sum. Thus, the Rosenwald Public School building was constructed affording rooms for Grades 1 through 7.

During this period another frame structure in the same vicinity was repaired, furnished by the women of the community, and used to teach cooking and sewing to upper grade classes.

SCHOOL AT PRESENT SITE. The school moved to its present site in 1928. The property was purchased by the community -- approximately two acres. Other property was purchased by the county. The first building on the present campus (pictured above) contained eight rooms and an auditorium seating 366. Grades one through seven were taught. The first principal in this location was Mr. W. M. McElrath. The expansion of this elementary building was begun during Mr. McElrath's administration. Mr. L. V. Jones of Kittrell College was the next principal. He served the school and community for two years. He was succeeded by the late Mr. L. R. Best.

CONSOLIDATION PROGRAM. Under the administration of the late Mr. L. R. Best, the school began its consolidation program. Beginning in 1937 and continuing through 1941 the following schools were consolidated: Rolesville, Wyatt near Forestville, Genesis Branch west of Wake Forest, Macedonia and St. Mary's near Rolesville, Ray School on the Durham Highway -- all became part of the present system.

These consolidations brought about other changes. In 1939 the present high school building was constructed. It was then that the school was named DuBois. Here grades 8-11 were taught until 1947 when the first 12th year class was added. In 1946 DuBois was approved by the Southern Association of Colleges and Secondary Schools. In 1942 the school gave attention to the training of boys in agriculture. This gave birth to a new building. In 1952 the junior building, with rooms for four teachers and the Home Economics department was completed. During this same year the old auditorium was remodeled and a kitchen put on to form the present cafeteria. Also in 1952 the new gymnasium was completed. Mr. Best died in July, 1954, ending 19 years as principal.

Mr. J. A. Tillman succeeded Mr. Best. It was under his administration that the school began to play football. The present school band was organized and an activity bus was purchased. During Mr. Tillman's leadership, a primary building was constructed containing rooms for seven classes, a lounge, and a health room. Mr. Tillman died in November, 1959, during the Thanksgiving holidays. This was an untimely event in the midst of the school year and in the midst of the Self-Evaluative Study being made by elementary teachers in preparation for the county-wide accreditation program scheduled for 1960-61.

Mr. T. J. Culler, the former agriculture teacher, was appointed principal following Mr. Tillman's death. One of his first efforts was the completion of the program of Self-Evaluation of Elementary Grades and the successful accreditation of the elementary school by the Southern Association of Secondary Schools and Colleges. The ever increasing enrollment (1,013 in 1962-63) makes it possible to have a larger and more specialized faculty. Of the thirty-eight teachers, one is a guidance counselor, another teaches special education, two full-time librarians, music and band teachers, and specialized subject matter teachers in the junior high school.

Under Mr. Culler's administration the school plant has had extensive interior improvement; the athletic field and gymnasium have been equipped with bleacher seats; a total project of landscaping and beautification of the grounds was realized.

PARENT-TEACHER ASSOCIATION. The P. T. A. was organized in 1927. First President was Mr. T. E. Woods. Other presidents were Mr. W. M. Thomas, Mr. O. V. Carpenter, Mr. L. L. Tuck, Mrs. Lillie Hodge, Mr. E. B. Thompson, Mr. Otha Dunn, Mr. Oscar Alston, Mr. L. M. Wray, Mrs. D. A. Best, Mr. Earlie Parker, Mrs. Margaret Harris, Mrs. Vivian Belle, Mr. Oscar Smith, Mrs. Evelyn Jones, Mrs. Margaret Crenshaw; and the present president, Mrs. Vivian Robertson.

The first two major acts of the P. T. A. when the school moved to its present site were: (1) purchase of Franklin Avenue from Mrs. Peggie Crenshaw for \$80. It was named McElrath Drive in 1929; (2) Organizing of high school in 1932. The first high school teacher was Mr. Frank W. Lewis of Townsville (Vance Co.), a graduate of St. Augustine's College. Mr. Lewis taught the 8th grade. His first two months' salary was paid by the P. T. A., which was reimbursed when the county paid him for the back months. The next year Miss Corice Eaton of Henderson was added to the high school faculty. The P. T. A. bought materials and equipment including nearly \$266 worth of new library books.

The best measure of a school's worth is reflected in the success or failure of its graduates. They can speak for themselves.

In Memoriam

Fifty Years

In 1936, Mr. Best came to DuBois and began working for physical and intellectual improvement. During his nineteen years, there were four buildings added to the original single unit: Vocational Agriculture classroom and shop, junior building, home economics cottage, high school building and gymnasium. The old auditorium was converted to the present cafeteria and a kitchen was added.

A true measure of the extraordinary qualities of this man cannot be determined by his materialistic accomplishments. He often said that an education should make a "difference" in the outward manifestations of refinement, the earmark of a lady and a gentleman. The high school was approved by the Southern Association of Colleges and Secondary Schools during his service.

Mr. Best, a native of Barbadoes, British West Indies, came to America in 1913 to further his education. He received the A.B. degree from Virginia Union and the M. A. degree from Columbia University.

L. ROBERT BEST

Mr. Jacob A. Tillman, principal of DuBois from September, 1954, to November, 1959, was a native of South Carolina. He received his undergraduate degree from Johnson C. Smith University and his graduate degree from the University of Pennsylvania.

After graduating from Smith, Mr. Tillman came to Wake Forest to teach mathematics and science in the high school until 1938 when he accepted teaching and principal positions in Snow Hill, Tryon, and Morganton, N. C., respectively.

During his administration, there was a steady increase in enrollment with a resultant increase in staff -- from 25 to 29. A band was organized, equipped with instruments, and outfitted with uniforms. A new primary building was constructed. Also, a football team, the first among Negro county schools, was organized.

TO --

The principals we have known. Because of their conscientiousness in their performances as school administrators, their guidance and encouragement for better scholastic achievement, their diligent efforts in maintaining and improving the standards of the school, and in developing the full potential of each student, the Staff of the 1964 LION dedicates this issue.

Mr. Culler, principal of DuBois High School, graduated from Fort Valley High School in Georgia. He completed his undergraduate work at Hampton Institute in Virginia, receiving the B. S. degree. A. & T. College in Greensboro awarded him the Master of Science degree. He has studied further at North Carolina College at Durham.

Mr. Culler had many years of experience before becoming principal of DuBois. He was a teacher of Vocational Agriculture at Pinckney High School in Carthage, N. C., for five years and a teacher at DuBois for seventeen years. He has been principal since 1960. Under his guidance and supervision there have been constant improvements in enrollment, staff, attendance, academic and physical training, and additions to the general school plant and grounds.

He challenges students to take the one road to the future -- the forward road.

PRINCIPAL'S MESSAGE

WHAT IS YOUR DREAM

From Socrates to Edison, every forward step taken by mankind through revolving centuries, every advance by humanity toward the ultimate goal has been led by some valiant dreamer who followed a star.

Just now there are thousands of young men going forth from college and from schools; going somewhere. It would be interesting to know the routes chosen. No doubt they have been watching the various schedules pretty closely, figuring on the fare, the comfort, and the termination. There are those who have not done so; they are eternally asking the names of the places they pass and boring their fellow travelers with inquiries as to what comes next. There are others who refuse to follow a commendable route because they do not like some folk who have taken it before, or are on it now. Still there are others who don't seem to care what route they take or where it leads.

It will pay you mighty well to scan the route carefully before it is too late to make any great change. Maybe you think you are not ready to go just yet. But, my dear students, you are going right along somewhere, to the bad or to the good, but somewhere for sure.

Possibly you are waiting for the through express to fame or fortune, or to both, or you may be waiting to be personally conducted on this enforced tour. In that case you will hardly know what your route will be, nor will you have a very clear conception as to what you will see or hear, or how you will occupy yourself while on the journey.

Many a good boy and girl have been led to a bad end through the mistaken belief that a diploma is a good and safe ticket. The world won't be at all particular about seeing your diploma, but depend upon being often asked what can you do; and the world's willingness to accept you will be according to your willingness to take employment in the world's work; and your success, comfort and happiness will depend upon the manner in which you do your work.

Don't imagine that you can stop for a year or a day, or a moment, for time waits on no one; and it is time itself that is carrying you forward to the end of the road.

No substitute had ever yet been discovered for honesty. Multitudes of people have gone to the wall trying to find one. Our prisons are full of people who have attempted to substitute something for it.

Character, as capital, is often underestimated by a great number of young people. They seem to put more emphasis upon smartness, shrewdness, longheadedness, cunning, influence, pull, than upon forthright honesty and integrity of character.

Self-reliance is the fundamental element of all true greatness.

FROM THE EDITOR'S DESK

Dear Reader,

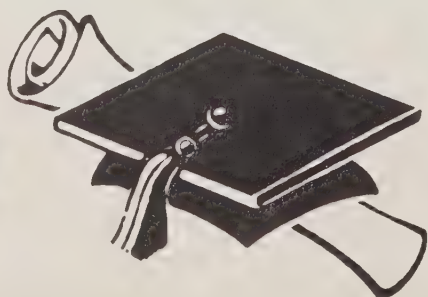

As we approach the completion of our 1964 yearbook, we leave behind many thoughts of the numerous hours of toil and labor sacrificed for this production. We can hardly restrain the tears that fill our eyes as we visualize "the good old years spent at DuBois" that were captured in this book. As one's memory slowly fades away, this book will keep alive the fond recollections of the school year 1963-64.

When years have passed and we look back in retrospect to the 1964 edition of the LIONS, no doubt a wave of nostalgia will overwhelm us as the memories of dear ole DuBois return.

We thank our staff for aiding us in this profound accomplishment. A special praise goes to Miss M. E. Skinner, who through her keen interest and devotion, has helped with this publication.

I, the editor, am offering to our parents, patrons, faculty and students my best wishes and may you always hold your "64 LIONS" in the highest of esteem.

THE SENIOR STORY

I

The class of 1964 pauses at the threshold of commencement to recapitulate the events, memories, and influences that have brought us to this day. In the month of September, 1960, we, sixty enthusiastically-minded students, started our climb toward the zenith of our academic or vocational abilities.

During our freshman year, 1960-61, the class was divided into two sections, one section under the supervision of Miss M. E. Skinner. Officers elected for the year were: President -- Richard Shackelford; Vice-president -- Sherle Boone; Secretary -- Shirley Kornegay; and Treasurer -- Mary Battle. The second section of the class was under the supervision of Mrs. M. S. Jones. Officers for the year were: President -- Ressie Walker; Vice-president -- Luther Watkins; Secretary -- Commilus Artis; and Treasurer -- Wilhelminia Massenburg.

Our freshman class excelled in all activities during that exciting and eventful year. The year was highlighted with an array of four beautiful queens. Bernice Boylorn reigned twice -- as Miss Football Homecoming and Harvest Festival Queens. Tassie Thornton reigned as Miss Basketball Homecoming. As Harvest Festival queen, Miss Boylorn was crowned by James Massenburg, a senior and President of the Student Council. As Basketball Homecoming Queen, Miss Thornton was crowned by Carlester Watkins, captain of the basketball team. Rheta Jackson was represented as queen of Spring in the annual May Day festivities. Miss Jackson was escorted by our class president, Richard Shackelford. Grade 9-S also reported the highest Financial effort of the entire event.

A number of us also joined certain organizations such as Choral Club, Honor Club, Student Council, N. H. A., N. F. A., Varsity Club, Safety Patrol, Football team, Basketball team, and the Gazette staff. Those joining the band were Jolene Smith, James Davis, Wilbert Dunston, Luther Watkins, Sherle Boone, Shirley Peppers, and Otis Jones. Those on the football squad were: Richard Shackelford, Luther Watkins, Larry Kearney, Lannie Mitchell, Joe Evans, and Ralph Burton. Luther Watkins was the only freshman joining the basketball team.

Several of us also took the National Educational Development Test which consisted of English, Mathematics, Social Studies, Reading, Natural Science Reading, and Word Usage. Those participating were Tassie Thornton, Shirley Peppers, Wilhelminia Massenburg, Sherle Boone, Richard Shackelford, Wilbert Dunston, Larry Kearney, Otis Jones, Rheta Jackson, and Luther Watkins.

Even though there was difficult work, our freshman year was filled with excitement.

II

After having completed the first round of our four-year journey, we embarked upon our sophomore year. Again in two sections, our advisors were Miss Skinner and Mr. D. M. Fulford. The officers in Mr. Fulford's section were: President -- Ruth Jeffreys; Vice-president -- Luther Watkins; Secretary -- Jolene Smith; Assistant-Secretary -- Cornelia Massenburg; Treasurer -- Mr. Fulford; Sergeant-at-arms -- Thomas Morgan (City); Host and Hostess -- Thomas Morgan (County) and Ruth Watkins. The officers of grade 10-S were: President -- Wilbert Dunston; Vice-president -- Sherle Boone; Secretary -- Laura Wray; Asst. -Secretary -- Betty Henry; Treasurer -- Miss Skinner; Recording treasurer -- Richard Shackelford; Hostess -- Shirley Peppers; Parliamentarian -- Bernice Boylorn.

On the honor roll that year were: Richard Shackelford, Luther Watkins, Shirley Peppers, Otis Jones, Sherle Boone, Rheta Jackson, Geneva Gill, Wilbert Dunston, and Larry Kearney.

The tenth grades presented a skit entitled "Manners." It was based on Do's and Don'ts at DuBois specifically, but could be applied to any place.

The Queen of May for 1962 was Laura Wray of 10-S and the King was Sherle Boone.

During the year students participated in the band, choral club, football and basketball teams, and in many other activities. Our sophomore year was very successful, but it only was a beginning as we prepared to meet the challenges in our Junior and Senior years.

III

Previously, our class had been separated into two units. As juniors, we were united as one. The class officers were as follows: President -- Richard Shackelford; Vice-president -- Shirley Kornegay; Secretary -- Bernice Boylorn; Treasurer -- Miss Skinner, Hostesses -- Tassie Thornton and Mary Battle; Host -- Thomas Morgan.

In our Junior year we had fifteen students on the General Honor Roll and seventeen on the Language Arts Honor Roll. Also, this year, Sherle Boone, Wilbert Dunston, Luther Watkins, Richard Shackelford, Thomas Morgan (City), Larry Kearney, Otis Jones, Tassie Thorton, Rheta Jackson, Shirley Peppers, and Geneva Gill became members of the Crown and Scepter Club.

Miss Betty Henry was selected Miss Football Homecoming. She was crowned by Mr. Culler, our principal. Miss Geneva Gill was chosen Miss Basketball Homecoming. She was crowned by Luther Watkins, captain of the basketball team. Miss Ressie Walker was crowned Queen of May by Miss Annette Allen, Maid of Honor.

Exhibiting our class' many abilities through special recognition were Luther Watkins, Neal Merritt, and Laura Wray. Luther Watkins won a trophy for all-conference and Neal Merritt played in the all-star game at Shaw University. Laura Wray received a rating of superior at the District Music Festival. She sang "Solvejg's Song" by Grieg. Laura also won the Omega's Talent Hunt with a vocal solo at Shaw University.

For Career Day in Wake County, Mary Battle represented the Junior class of DuBois High on a panel discussion. She talked about a career as a medical secretary. But, the biggest event was yet to come -- the Junior-Senior Prom. The theme was "Moonlight and Roses" with music being rendered by Irving Fuller and the Corvettes.

At the completion of our Junior year we felt ready to move into position as senior pace-setters and leaders.

IV

Seniors at last! Yes, dignified, sophisticated, and of course, superior. With increased responsibilities as well as privileges, we are heading toward the climax. Miss M. E. Skinner was again retained as our able advisor.

Several seniors exhibited their assets athletically. Luther Watkins was designated co-captain of the football team. Others playing regularly were: Joe Evans, Richard Shackelford, Otis Jones, Norfleet Mangum, William Caudle, Roosevelt Marrow, and Wilbert Dunston. Luther Watkins was also chosen captain of the varsity basketball team. Other senior members were Wilbert Dunston and Larry Kearney. Another athlete, Ralph Burton, joined the track team as a distance runner.

Making the honor roll and thereby gaining membership in the coveted Crown & Scepter Club were: Otis Jones, Rheta Jackson, Wilbert Dunston, Luther Watkins, Richard Shackelford, Tassie Thornton, Sherle Boone, and Shirley Peppers. Senior officers in this organization were; President -- Richard Shackelford; Vice-president -- Sherle Boone; Secretary -- Tassie Thornton; and Treasurer -- Otis Jones. Nine seniors retained and two secured membership in the Student Council. The eleven were: Mary Battle, Ruth Jeffreys, Joe Evans, Luther Watkins, Otis Jones, Shirley Komegay, Wilbert Dunston, Richard Shackelford, Ressie Walker, Sherle Boone, and Laura Wray. Richard Shackelford was elected president of the Council.

Musically, the majority of the senior class participated in either choral club or band, or both. Wilbert Dunston was elected president of the band, and Bernice Boylorn president of the choral club. Other senior presidents were: Cornelia Massenburg -- President of the Library Club; Tassie Thornton -- President of the Dramatics Club; and Rheta Jackson -- President of the New Homemakers of America (N. H. A.).

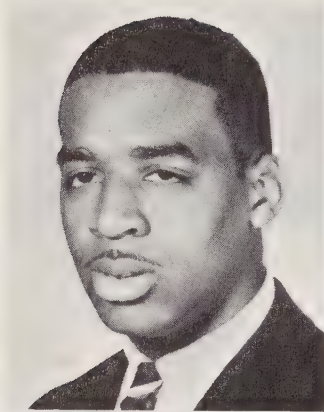

Miss Tassie Thornton, a senior honor student, was deemed Miss Debutante of the year, 1964. This privileged her to reign as queen of all school events. Laura Wray participated in the WRAL television Talent Show. She placed first in her preliminary contest and third in the finals. Presently, she is taking voice lessons, financed by Jimmy Theim, owner of Theim's Record Shop.

Now on the verge of graduation, we look back to 1960 when a group of wide-eyed, ambitious freshmen embarked on a 4-year journey. We see them now, in 1964 as ourselves, 43 polished seniors with the challenges of life before us. Because DuBois has trained us to meet these challenges, we face them with zest and assurance.

SHERLE BOONE

DEAR DUBOIS HIGH
(Tune: Moon River)

By Wilbert Dunston

Dear DuBois, how we love thee so;
Much more than you know;
Our love will grow and grow, each day.
We'll miss you so;
When it's time to go;
Our hearts will be crying and longing to stay.

Alma Mater, so very strong and true;
All wrapped in white and blue;
We hate to leave you, so soon.
We're after our own rainbow's end;
Waiting around the bend;
Forever you're our friend;
Dear DuBois High.

Dear teachers, and principal, too;
We'll always love you true;
Much more than you think, we do.
You showed us how;
To achieve and now;
We're going forth to stake our claims.

Come, Juniors, and take your place;
As Seniors full of grace;
There isn't any time to waste.
We're after our own rainbow's end;
Waiting around the bend;
Forever you're our friend
Dear DuBois High.

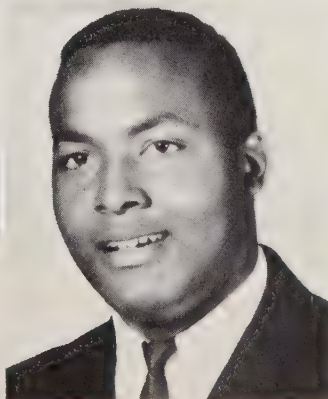

Miss Skinner, how we love you so;
To you all our hearts flow;
It was grand to know, you cared.
You led us through;
Four years with you;
How can we forget you when you were so true.

We are Seniors, off to see the world
Our hearts are in a whirl;
There's such a lot of world to see.
We're after our own rainbow's end;
Waiting around the bend;
Forever you're our friend;
Dear DuBois High.

MOTTO

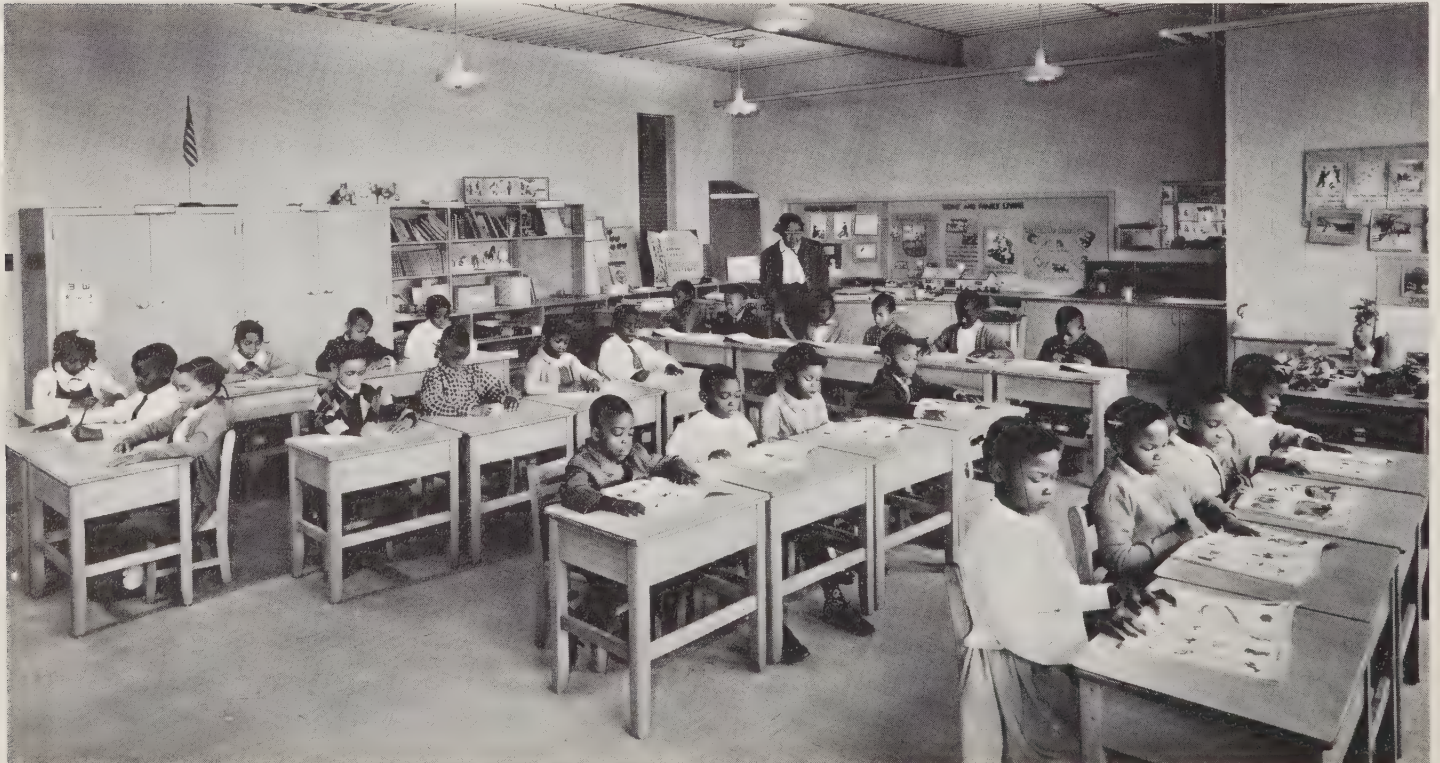

As I grow more and more each day
I'll try to live the friendly way
I'll try hard to say and do
Only what is kind and true.
Always it shall be my aim,
To play fair in any game.
To keep myself alert and cool
And to try to live by the
Golden Rule.

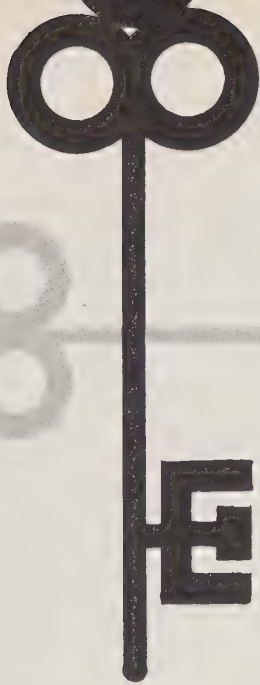

POEM

The plainest face has beauty,
If the owner's ways are kind and true;
And that's the kind of beauty
My boys and girls have for you.

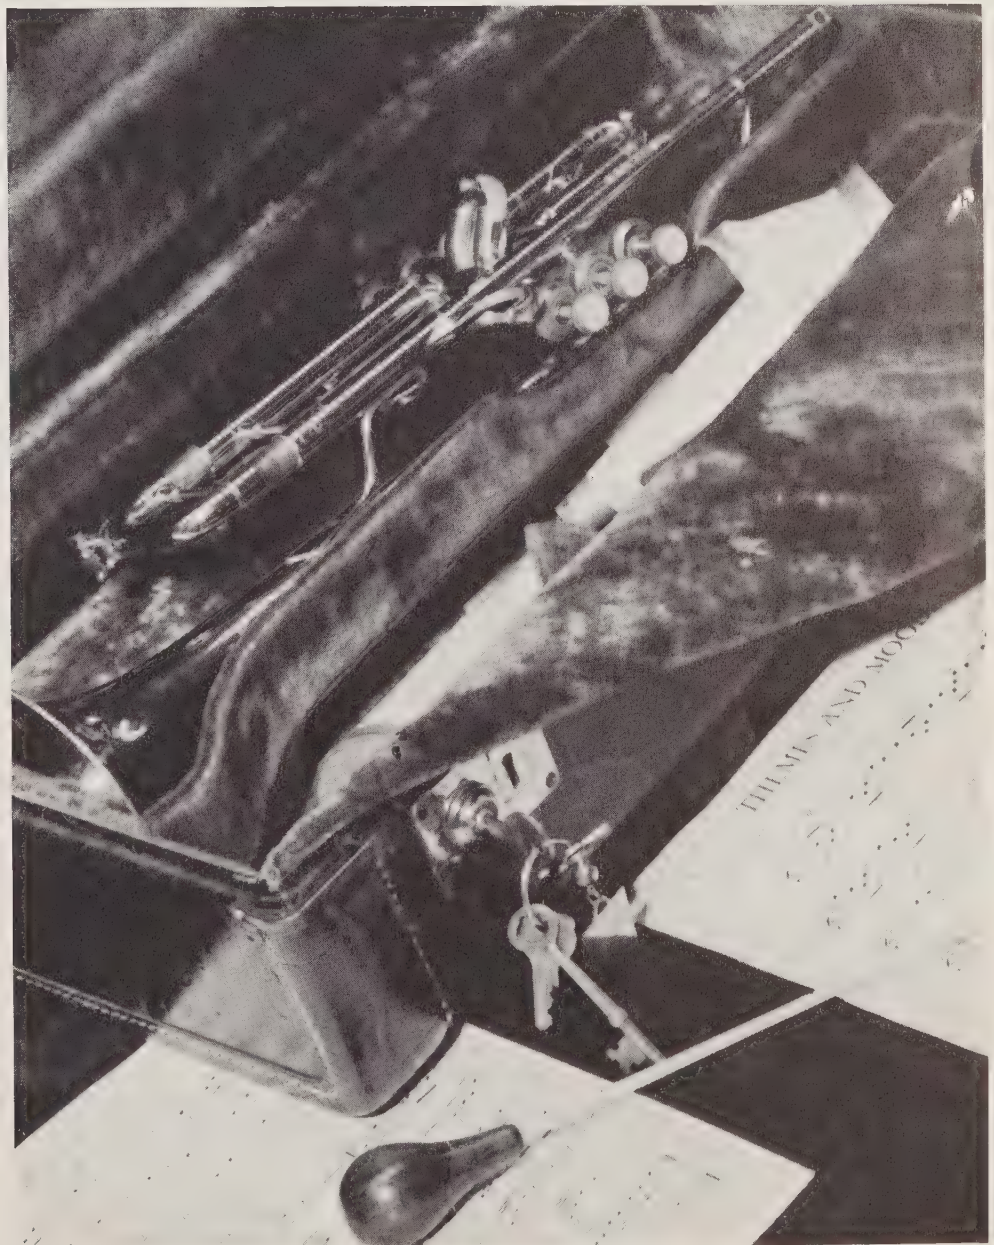

SONG

Here we go in a row
Happy now are we.
Work and play
That's the way
This (name of month) day.

W. L. Graham	Advisor

The main purpose of the organization is to develop good leader and citizenship.

The chapter will participate in the following competitive activities of the organization this year: quartet, public speaking, quiz, talent and livestock judging.

MATH

FRONT ROW: Wilbert Dunston, Fankie Lucas, Larenzo Jackson, Roger Shackelford, Richard Shackelford, and Mr. Toole. BACK ROW: James Davis, Larry Kearney, Danny Scarborough, Sherle Boone, Otis Jones.

Otis Jones, Wilbert Dunston, Larry Kearney, Sherle Boone, and Richard Shackelford. These students are performing an experiment in their chemistry laboratory class.

SCIENCE

RHYTHM AND MUSIC

The Rhythm and Flute Bands have been organized activities in the school for the past eleven years. During that time, they have presented many programs and have taken active parts in various school activities. These two bands are outgrowths of the primary and intermediate music classes of the elementary school. Pupils develop in rhythms and fundamentals of music. Rhythm and Flute Band pupils are potential members of the High School Band.

BATON

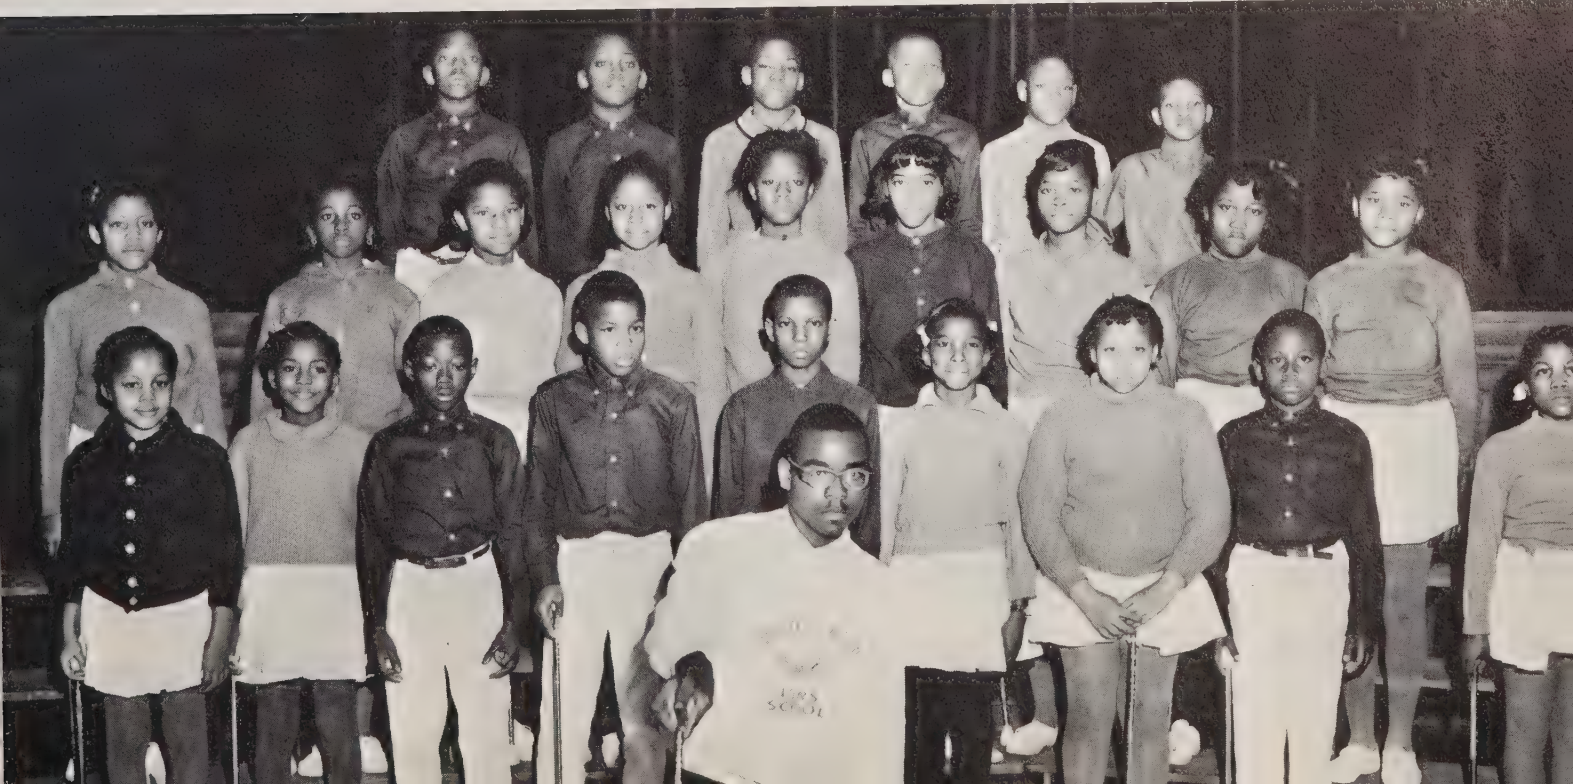

CORPS

Organized by Danny Scarborough, the Corps made its debut at the Debutante Ball. It has performed at each home basketball game.

Danny is a junior, seven-year drum major, honor student, cheerleader, and a creative leader of the Sensational Baton Corps.

| Silas Timothy Jones | President |
| Ronald Massenburg | Vice-President |
| Juanita Anderson | Secretary |
| Jocelyn Forte | Treasurer |
| Drummers | Elbert Harris, James Lucas, Alexander Massenburg |
| Director | Danny Scarborough |

BAND

Here we are more interested in what the music does for the student, rather than what the student does to the music. Drum Major, Danny Scarborough; President, Wilbert Dunston.

Shirley Peppers, Captain; Delores Hartsfield, President; other members: Ressie Walker, Shirley Komegay, Cornelia Davis, Donna Gill, Brenda Johnson, Eleanor Kittrell, Rosa Parker, and Sheila Perry. Advisors; Mrs. M. B. Adcock and Mrs. E. Lucas.

MAJORETTES

THE MIGHTY LIONS

PRIMARY PATROL

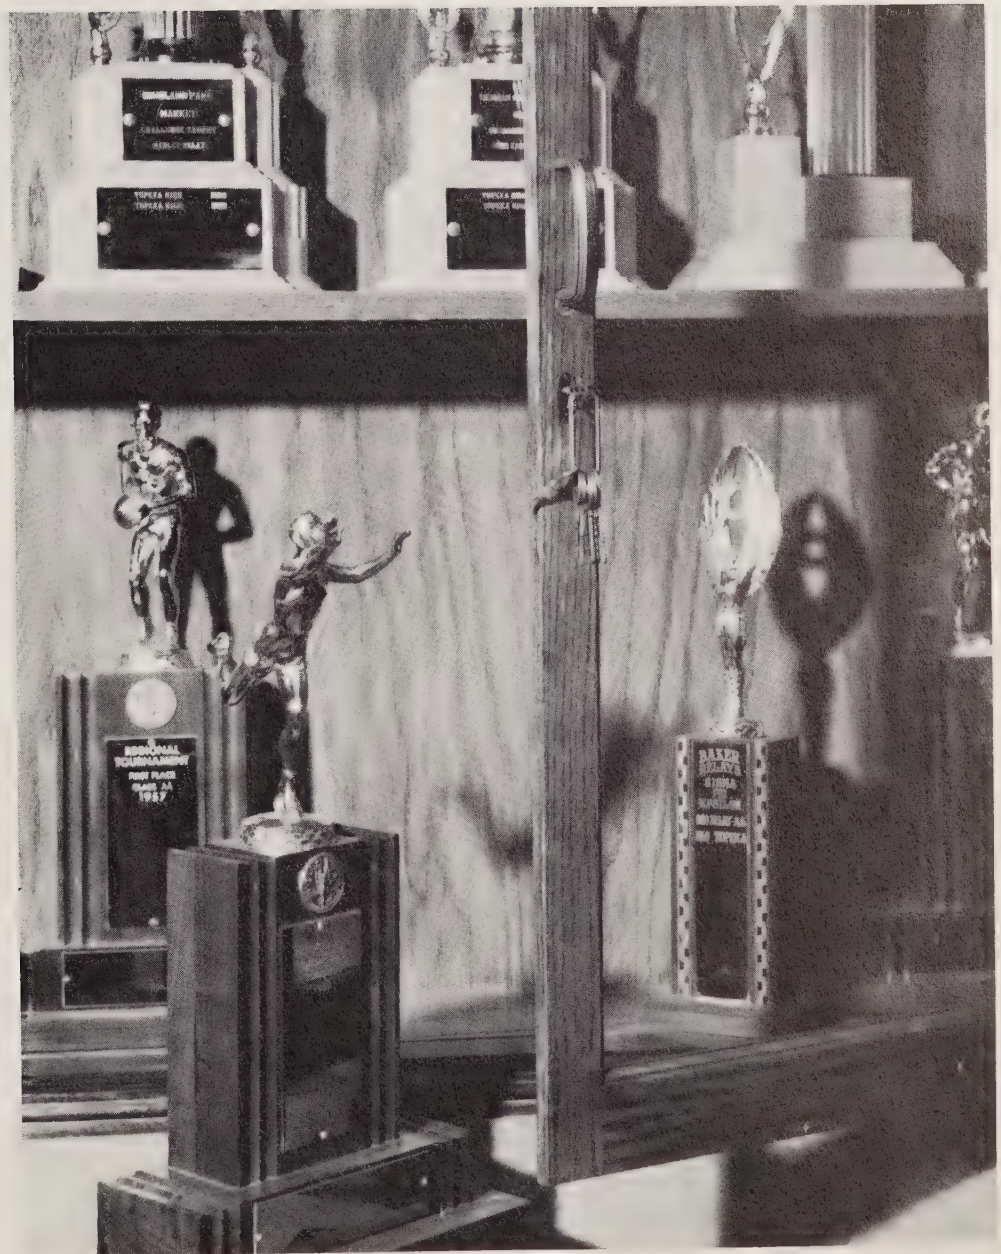

To develop good student leadership, better citizenship and to protect our school by the practice of safety rules and good conduct.

Danny Scarborough, President, Linda Peppers, Theresa Watkins, Shirley Pepper, James Barbour, Delores Hartsfield, Eleanor Kittrell, Margaret Harris.
